## 9 The Iniquity of Sodom

### INTRO

The iniquity of Sodom was more than sex and flesh  
She had pride, food, rest, and apathy in excess  
As her needy neighbors suffered she looked the other way  
Selfishness lurked within her every single day

### VERSE 1

Sodom was God's warning of the  
scale with which he weighs nations  
As long as we do evil our  
rituals are abominations

### CHORUS

Cease to do evil,  
learn to do what's good  
Seek justice, rebuke the oppressor  
Defend the fatherless and plead for the widow

### VERSE 2

Come let us reason together  
says the Lord  
Our scarlet sins will be as snow  
Our crimson sins will be as wool

## 10 Humility A'int Modesty

### VERSE 1

Am G D  
Why are you holding back from giving your all to Him, pouring love on the King?  
Am G D  
Why are you holding back? Is it deep insecurity? Is it misguided modesty?  
Am G D  
Don't you know that Jesus will still love you? He'll still love you if you fail  
Am G  
Even though you face troubles here on earth  
D  
Remember that your soul is well

### VERSE 2

Am G  
Once I thought hiding was humbleness and  
D  
Showing God's gifting fed pride  
Am G  
Then I saw that it was excessive caution  
D  
Not glory to God in my life  
Am G  
When I do my best isn't He magnified?  
D  
A father is proud of his child  
Am G  
If I then fall short my weakness shows His strength  
D  
As I come to Him broken, contrite

Seek Him first, trust in Him, and live without worry!

Just because it's hard doesn't mean that we can't do it

But because it's hard we need to trust in Him
